

Avesis Advantage Plus Vision Plan

With one of the best values in the business the Avesis Advantage Plus Vision Plan provides members with affordable vision insurance that will cover most, if not all, of the expenses for maintaining healthy eyesight.

Vision Examinations
Frames and Spectacle Lenses
Contact Lenses
LASIK Discounts

Using The Avesis Preferred Network Members Receive

Covered at 100%

Routine Vision Examination
Standard Lenses (Single Vision, Bifocal, Trifocal)
Frame (within plan allowance)
(co-pays may apply to these services and materials)

Additional Coverage and Discounts

The Plus Vision Plan provides coverage for Progressive Lenses giving members a 20% discount of off retail cost plus a \$50.00 allowance. Additionally, members receive unlimited discounts on optical services and materials after the plan year benefits are exhausted. Some members may elect to have LASIK surgery to correct their vision problems. The Plus Vision Plan offers a one-time discount for these services through one of Avesis' approved surgeons.

Frame Allowance

Plus Vision Plan members can choose any frame in the provider's office. Avesis providers are required to have an assortment of frame styles that fall into the Plus Vision Plan allowance of \$100 - \$150* retail cost (or \$50 wholesale). Members may select frames that exceed the allowance. In this case, a \$50 wholesale plan allowance is applied toward the already discounted frame price.

Contact Lens Allowance

Many members prefer contact lenses. The Plus Plan provides a generous allowance of \$130 towards the purchase of contact lenses and/or associated fitting fees – with no co-pay. Giving members even more value, this allowance is applied after a preferred Avesis discount of up to 20% off of the retail cost.

In addition to the tremendous in-network value, Plus Vision Plan members can utilize non-participating providers under a reimbursement schedule for services and materials.

Avēsis

A National Vision and Dental Company

*Frames from participating Wal-Mart locations are covered up to a \$68 retail value.

Avesis fully insured vision plans are underwritten by: Fidelity Security Life Insurance Company, Kansas City, MO
